

ProviderLink

Enhanced clinical quality, patient satisfaction, and operational efficiency are just one click away.

Faster starts of care and transparent communication are critical to patient outcomes. That's why AccentCare® is proud to partner with ProviderLink.

ProviderLink is an electronic medical record that makes it easier to share timely data to address order requirements and visit observations... while minimizing follow-up phone calls and faxes.

ProviderLink offers:

- ✓ Near real-time data, including patient vitals, diagnosis, wound history, and medications
- ✓ The latest and most accurate answers for patient/family inquiries
- ✓ Less time and space dedicated to office filing
- ✓ Electronic signature for home health orders, re-certifications, and face-to-face documentation
- ✓ Identification of billing eligibility for time spent on Care Plan Oversight
- ✓ HIPAA-compliant data handling

Getting started with ProviderLink is quick and easy!
